Adverse Childhood Experiences

Pre-Assessment included. 10 week course.

Negative or Adverse Childhood Experiences (ACEs) can affect the life you are living now. They can keep us fixed to the past, and have ongoing effects throughout adult life. But we can do something about this. Do you want to understand more about how these experiences may be affecting you? Join us on "ACEs recovery" to explore how we can start to move forward from these experiences

SPACE Supporting Parents and Children Emotionally

SPACE is a free programme for any parent or carer who wants to better understand and support their children's emotions, as well as their own. This is a 4 session, face-to-face programme.

HOPE Help Overcoming Problems Effectively

HOPE is a programme to help people build confidence to self-manage their health conditions. This could include: Physical health e.g. pain relief. Mental ill-health issues such as anxiety, stress, and depression. Discover how to use relaxation techniques to refresh your mind and body. Learn how to make plans and achieve goals that can help you make changes for the better.
